Who is Brien Andrews?

It’s all about music and connecting with the music! This consistent “in---the---pocket” drummer has solid grooves that captivate every listener. Brien Andrews electrifies audiences across the globe with his savvy, proficient & artistic styling. His ability to play a vast repertoire of music makes him a preferred musician. Don’t be mistaken Brien is not limited to the instrumental aspects of music, he has explored other facets of the industry as well, and now people all over the world are awestruck by his supreme expertise.

This love and passion began at the age of 4, and it led him to the beginning of a career playing drums in studios, churches, jazz clubs, and international venues all across the United States and abroad. Brien’s first live recording as a percussionist was in 1992 and a couple of years later he was given the opportunity to take his first of many overseas trips to showcase his gift in Italy. Many doors opened after that opportunity! He was blessed to tour in South Africa, Sweden, Denmark, Finland, Gotland, Visby, Japan and Germany to name a few.

Brien has accompanied many great artists such as “Dreamgirl” Jennifer Holliday, Kelly Price, Monica, and Gospel Greats: Pastor Donnie McClurkin, LaShun Pace, Ted & Sherie, and PJ Morton. He has also toured with playwright Tyler Perry in “Madea’s Family Reunion”, “Hell Hath No Fury Like a Woman Scorned”, “I Know I ’ ve Been Changed” and Bishop T.D. Jakes’ “Women Thou Art Loosed”. Brien is also an entrepreneur. He is the founder and CEO of Bri'Entertainment, LLC. Under this label he produced and released his first solo project entitled "CHANGED" April 2010 and in November 2010 his Christmas CD entitled “NOEL” was released.

Brien has produced and co---produced a number of projects. His latest single “An Early Thursday” was released on January 25, 2016. Brien’s motto is “Music is Essential To Life, Therefore Make It Good!” Stay tuned the best is yet to come!!!
